### Select continue to Google My Business

## Import from your Google My Business account

#### How are we using information from your Google My Business account?

If you are already verified on Google My Business, Bing Places will fetch that data and use it to create or update your Bing Places listing.

Google OAuth 2.0 Playground wants to

- View and manage your business listing on Google 

Allow Google OAuth 2.0 Playground to do this?

By clicking Allow, you allow this app to use your information in accordance to their terms of service and privacy policies. You can remove this or any other app connected to your account in [My Account](#)

[CANCEL](#) [ALLOW](#)

Bing Places would need the **View and manage your business listing on Google** permissions to read data from your Google My Business account. Using this permission Bing Places will have access to information about your business listings in your Google My Business account.

**By importing images to Bing Places from your Google My Business account, you certify that you have all necessary rights to use the images with Bing Places.**
